

ESSENTIAL BATHROOM RENOVATION STEPS

DEMOLISH

Demolish the existing bathroom, keeping the layout if you wish.

PLAN & DESIGN

Carefully plan & style with your budget in mind.

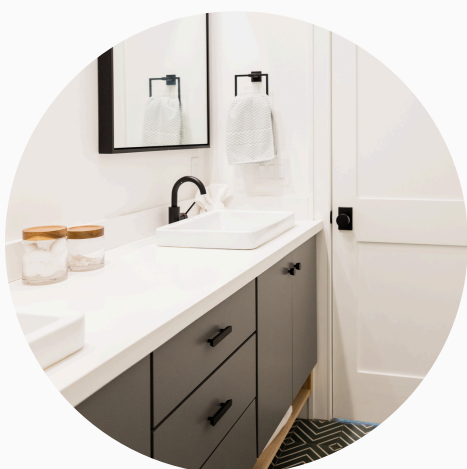

PLUMBING

Install new sinks, shower, toilet and bathtub.

WALLS & TILES

New walls, water-proofing and tiling is the next step.

CABINETRY

Install cabinets and countertops in your new space.

LIGHTING + FIXTURES

Install lighting, towel rails, hooks and other fixtures.

CLEAN & FINISH

A final clean-up and your new, finished bathroom is ready to use!
